

# ANDREA FLACTION

She was born on **Caracas** in 1980. After finishing High School , she starts her studies and training at the School of Art and Design, where she'll get her title of Graphic Designer. At the same time she became an active member in the collective art group **SIMPL3**, taking part in the creation in a renowned cultural movement in Caracas. After 2009 she arrives to Switzerland where she works, with her husband, in **Struggle4Life** as a personnel project in order to develop and to express her artistic ambitions.
